

Dear System User,

As published in the latest ordinance of E-control on 15.12.2023, the Gas System Charges Ordinance 2013 has been amended; [this amendment](#) has reduced to 0 the value of the Commodity Charge at all entry/exit points starting with the gas day 01.01.2024 06:00.

TAG will issue the commodity invoices relevant for the month of December 2023 starting on 02.01.2024.

The capacity tariffs and related invoicing is kept unchanged.

We take the chance to wish you Merry Christmas and the best for the New Year 2024!

Best regards,
