

## NEWSLETTER No 2/ JULY 2019

*Welcome to the second edition of Commercial News, Trans Austria Gasleitung GmbH's Commercial Newsletter. A number of news are being introduced by TAG in order to improve efficiency, reliability of the booking system and communication! Last but not least, we are looking forward to meeting Commercial Partners soon! Stay tuned!*

### 1. SUCCESSFUL DEVELOPMENT OF FALL-BACK PLATFORM

As of now, in case of temporary **unavailability of the PRISMA Capacity Platform**, TAG GmbH provides an internet [Fall-Back platform](#) "TAG GmbH's Fall-back Platform", where primary Day-ahead and Within-day unbundled entry and exit capacities of the TAG system are marketed.

In order to access this platform, PRISMA activated users will receive **one-time password** sent by e-mail upon activation of the platform and valid until deactivation of the Fall-back platform.

### 2. SINGLE REGISTRATION FOR AUCTIONS, NO PROVISION OF TEMPORARY DEPOSIT & NEXT COMMERCIAL DEVELOPMENT STEPS

In order to smoothen the processes for System Users, TAG GmbH is going to simplify the procedure of registration for Monthly/Quarterly/Yearly auctions as of **12.07.2019**, until further notice. The registration for these products will have to be performed by System User **once** with **unlimited validity**. Furthermore, the provision of a **temporary** deposit will **not be** requested any longer.

### 3. MAINTENANCE PLAN IN EXCEL

Further to some System User's requests, the **Maintenance** Plan of scheduled maintenance activities of TAG GmbH has been made available also in **Excel** format.

This newsletter is not meant to replace any updated information published on TAG GmbH's website. This newsletter is being sent from TAG GmbH and may contain confidential or privileged information. If you are not the intended recipient, please advise the sender immediately by e-mail and delete this message and any attachments without retaining a copy.

#### 4. INVITATION TO FUEL GAS TENDER

TAG GmbH's procurement of Fuel Gas for the period **from 01.10.2019, 06:00 a.m.** until **01.10.2020 06:00, a.m.** will be executed in a market-oriented, transparent and non-discriminatory manner. For this purpose, TAG conducts an e-Tender purchase event which will take place from **01.08.2019, 11:00 a.m.** until **02.08.2019, 11:30 a.m.** and it will be executed by means of the TAG e-Procurement Platform ("TAG e-Procurement Platform").

#### 5. TAG SHIPPER'S EVENT

Meet TAG GmbH's Commercial Team in the event dedicated to Commercial Business News on **17.09.2019** in the heart of **Vienna**. An invitation will follow!

#### 6. MARKET SURVEY 2019: INCREMENTAL CAPACITY NEEDS AT ENTRY/EXIT INTERCONNECTION POINTS

We also would like to remind you that in the frame of the CAM NC Reg. (EC) 2017/459, TAG, together with the other European TSOs, on 01.07.2019 started the processes assessing market demand for **incremental capacity** for their joint interconnection points, according to Article 26 of said CAM NC Reg. More information is published [here](#).

**HAPPY BOOKINGS!**

Your TAG **Commercial** Team
