DEAR SYSTEM USER,

Welcome to TAG's Newsletter on Commercial topics. With this newsletter we provide you with a reminder about the upcoming yearly auctions in PRISMA, regulatory update and the possibility to register to our future newsletters sent via email.

1. Yearly capacity auctions 2025

The next yearly auctions will be held in [PRISMA Platform](#) on July 7th, 2025. In order to book capacity, the stipulation of Frame capacity Contract with TAG GmbH is a prerequisite. For further information, do not hesitate to drop us an email at commercialservices@taggmbh.at.

2. Reshuffling Service

Pursuant to [E-control's amended GMMO-VO](#), TAG implements the [reshuffling service](#). This exchange capacity service applies for monthly, quarterly and yearly capacities booked in PRISMA primary market with runtime as of 01.10.2025. Eligible capacities to be reshuffled are previously booked firm long term FZK and DZK capacity products with a minimal duration of one year.
